NEW to Region 9 Championships for 2027!

AWWA 2-year-old Performance Horse Prospect Exposition

To encourage & promote the breeding, owning, and showing of Arabian and Half-Arabian/Anglo-Arabian Performance horses, the Arabian Working Western Alliance creates, maintains, and supports an AWWA 2-year-old Performance Horse Prospect competition. We are thankful to Region 9 for allowing the AWWA to offer this new event at the show

Terms & Conditions:

- To be eligible for the AWWA 2-year-old Performance Horse Prospect championship title a horse must enter and show in three (3) required classes at the same show. The three (3) required classes are: In-hand Trail, Longe Line, and In-Hand Conformation. The same handler for each individual class is not required.
- There will be one class offered at Region 9 Championship show; however, the class will be split into Arabian and HA/AA divisions if greater than 5 entries are entered and shown.
- Any registered Arabian or HA/AA 2-year-old may enter the AWWA offered classes providing they are properly recognized by the Region 9 Championship show office having completed an entry form and obtained an exhibitor back #. All handlers and horse owners must be recognized by the Region 9 show office by having completed signed show waivers and possessing appropriate membership cards on file. Those 2-year-olds not nominated to the AWWA Incentive Fund may compete in the individual classes to earn class ribbons, but their scores/placings will not be tabulated in the final over-all placement for the AWWA Championship title and/or any prize money offered by the AWWA.
- **Only 2-year-olds nominated to the AWWA Incentive Fund are eligible to earn the Championship title and receive any prize money from the AWWA.**
- All horses must be placed in each required class. Ribbons are presented for first to fifth in each class.
- Only 2-year-olds nominated to AWWA Incentive Fund earn tabulation points from scores/placings received in each required class. Highest placing Incentive Fund 2-year-old in each required class receives 10 points; followed by 8 points for second highest; 6 points for third highest; 4 points for fourth; and 2 points for fifth. All other Incentive Fund 2-year-olds receive 1 point for participation in the required class. Entries must complete the required class to earn tabulation points. Scores of zero (0) may earn tabulation points. No points are awarded for a "No Score" or a Disqualification.
- After all tabulation points are totaled from the three required classes, the AWWA Incentive Fund nominated horse with the highest tabulation total earns the title of Champion. The second highest tabulation total is Reserve Champion. Placings continue to 5th place. In case of a tie in the final tabulation total, the horse with the higher score for In-Hand Trail places above. If a tie remains, the total number of penalties from In-Hand Trail is used. If a tie still exists, the horse placing higher in Longe Line places above.
