AWWA Supreme Working Western Versatility Award

A Championship trophy buckle will be awarded to any Arabian or Half-Arabian horse meeting the criteria established by the Arabian Working Western Alliance for the title of AWWA Supreme Working Western Versatility Champion.

- To be eligible for the AWWA Supreme Working Western Versatility title a horse/rider combination must enter and show in the approved classes at the same AHA recognized show. The show may be local or regional level of competition.
- There are two Divisions: Arabian and Half-Arabian/Anglo-Arabian.
- Only one Supreme Working Western Versatility title is awarded at each show per Division. If more than one horse/rider combination qualify for title, the horse/rider combination with higher point tabulation will be awarded the title for that show.
- Each horse/rider combination may only be awarded the title once per year.
- A horse/rider combination must compete in all three categories at the same recognized show. Exhibitors select the specific class(es) within each category to fulfill the title requirements. A horse/rider combination may enter more than the required classes in each category, but only the required minimum is needed to fulfill the criteria.
- Classes in each category may be Open, Amateur, Youth, or Jr. Horse but must be ridden by same exhibitor to fulfill horse/rider combination requirement.
- Classes that are combined A/HA/AA are accepted.

How do I receive my award?

- Contact the AWWA at WorkingWestern@gmail.com and provide show information along with your horse's name and AHA registration #. The AWWA will contact the show secretary for official results to verify placings. The Championship trophy buckle will be shipped to you.
- No additional entry fees. No special program sign-ups. Just get out there and show everyone how wonderful it is to ride a versatile Arabian Working Western horse!
